JOB APPLICATIONS WANTED

TITLE: Wastewater Treatment Plant Operator Trainee

LOCATION: Department of Public Works - Wastewater Treatment Plant

SALARY: \$35,138, with subsequent increases to \$43,290 (2019 rate)

DISTINGUISHING FEATURES OF THE CLASS: This is a trainee position involving responsibility for learning the duties and routines in the operation and maintenance of a Wastewater Treatment Plant. The incumbent in this position undergoes on-the-job training to become qualified as an operator of a Wastewater Treatment Plant. The incumbent assists in the operation and maintenance of a Wastewater Treatment Plant. Does related work as required.

Employees serve a training term, the duration of which is the time period required for the employee to obtain a Grade 3 A certificate as an "Assistant Operator" pursuant to the provisions of Part 650 of the NYS Department of Environmental Conservation regulations; provided, however, that the maximum duration of the training term shall be four-and-one-half (4 1/2) years. The employee is required to obtain the Grade 3A Assistant Operator certificate within this four-and-one-half (4 1/2) year period. Once an employee in this class has obtained the appropriate operator's certificate, and successfully completed his/her probationary period, the employee is eligible for promotion to the position of Wastewater Treatment Plant Operator without further examination.

MINIMUM QUALIFICATIONS:

- A. Graduation from a NYS registered or regionally accredited college with an Associate's Degree in Water/Wastewater Technology, Environmental Science, Engineering Technology, physical sciences, chemistry, biological sciences, life sciences or a closely related field with similar course curriculum; or
- B. Graduation from high school or possession of a high school equivalency diploma and successful completion of at least twelve (12) college credit hours of math and/or science coursework; or
- C. Graduation from high school or possession of a high school equivalency diploma, which shall have included the successful completion of at least two years of high school mathematics and at least two years of high school science; or
- D. An equivalent combination of training and experience as defined by the limits of (A), (B) and (C) above

SPECIAL REQUIREMENT: Possession of a valid driver license appropriate to the vehicles or equipment operated. Said license must be maintained for the duration of employment.
