JOB APPLICATIONS WANTED

TITLE: CONSTRUCTION ENGINEER

LOCATION: City of Ithaca

SALARY: \$70,699, with subsequent increases to \$84,839

The City of Ithaca values diverse perspectives and life experiences. We encourage people of all backgrounds to apply, including people of color, women, LGBTQ+, veterans, people with disabilities, and those with lived experiences.

POSITION DESCRIPTION: This is a supervisory engineering position responsible for planning, coordinating, overseeing and implementing public works projects representing a wide range of civil construction activities including, but not limited to, maintenance and repair of roads, bridges, drainage structures, retaining walls, and building systems. The work is performed in accordance with established engineering principles and construction techniques, with flexibility allowed for choosing methods and materials. The position differs from that of other engineering staff in that assignments are more directly related to operations and implementation, and primarily focus on construction projects performed by City public works staff, rather than the management of construction contracts. The work is performed under the general supervision of the Assistant Superintendent of Public Works (Streets and Facilities) with considerable leeway allowed for the exercise of independent judgment in carrying out the technical details of the work. Supervision is exercised over a large staff of public works employees of varying skill levels, with the daily supervision of crews delegated to subordinate supervisors as appropriate. Does related work as required.

MINIMUM QUALIFICATIONS:

- A. Graduation from a regionally accredited or New York State registered four year college or university with a Bachelor's degree in Construction Technology, Civil Engineering or a closely related field with similar course curriculum and two (2) years of full-time paid experience, or its part-time paid equivalent, in civil construction or maintenance; or
- B. Graduation from a regionally accredited or New York State registered two year college with an Associate's degree in Construction Technology, Engineering Technology or a closely related field or similar course curriculum and four (4) years of full-time paid experience, or its part-time paid equivalent, in civil construction or maintenance; or
- C. Graduation from high school or possession of a high school equivalency diploma and six (6) years of full-time paid experience, or its part-time paid equivalent, in civil construction or maintenance.

SPECIAL REQUIREMENT: Possession of a valid New York State Class D driver license or a valid driver license equivalent to a New York State Class D driver license at the time of appointment and maintenance of said license for the duration of employment

Continued on Back

RESIDENCY REQUIREMENTS: There are no residency requirements for this position.

EXAM REQUIREMENTS: A civil service exam will be required at a later date.

APPLICATION MATERIALS REQUIRED:

- City of Ithaca application
- Copy of high school and college transcripts
- Copy of driver license

Applications must be received by the City of Ithaca Human Resources Department no later than 4:30 PM EST on the last filing date indicated below. Postmarks are not accepted. All applications must be submitted electronically through our online application program. We do not accept paper applications, faxed applications, e-mailed applications or photocopies of applications.

Submit required application materials by March 22, 2021:
