JOB APPLICATIONS WANTED

TITLE: Environmental Engineer

LOCATION: City of Ithaca - Water and Sewer Division

SALARY: \$69,483, with subsequent increases to \$83,380

The City of Ithaca values diverse perspectives and life experiences. We encourage people of all backgrounds to apply, including people of color, women, LGBTQ+, veterans, people with disabilities, and those with lived experiences.

POSITION DESCRIPTION: This is a professional engineering position responsible for the planning, design, inspection, construction supervision, contract management and technical review of engineering projects related to the water distribution system and wastewater collection system of the City of Ithaca. The Environmental Engineer also serves as the City Stormwater Management Officer, performing general regulatory oversight for Municipal Separate Stormwater Sewer System (MS4) requirements, and overseeing and administering the City's Stormwater Management Program. General supervision is received from the Assistant Superintendent of Public Works with considerable leeway permitted for the exercise of independent professional judgment. Direct supervision is exercised over engineering staff. Technical direction is also provided to professional peers within the Water and Sewer Division. Does related work as required.

MINIMUM QUALIFICATIONS: Graduation from a New York State registered or regionally accredited college or university with a Bachelor's Degree in Environmental, Civil or Sanitary Engineering and two (2) years of full-time paid environmental, civil or sanitary engineering experience, or its part-time paid equivalent.

EXAM REQUIREMENTS: A civil service exam will be required at a later date.

RESIDENCY REQUIREMENTS: There are no residency requirements for this position.
