

JOB APPLICATIONS WANTED

TITLE: Civil Engineer
LOCATION: City of Ithaca - Department of Public Works - Water and Sewer Division
SALARY: \$64,861, with subsequent increases to \$77,833

The City of Ithaca values diverse perspectives and life experiences. We encourage people of all backgrounds to apply, including people of color, women, LGBTQ+, veterans, people with disabilities, and those with lived experiences.

This is a full performance engineering position requiring knowledge and experience in a wide range of professional design and engineering duties in the water and sewer treatment, distribution and collection system(s) field. The work is performed in accordance with established engineering principles with flexibility in choosing methods, materials, and value engineering. The incumbent is given general direction in the planning and preparation of sanitary sewer collection and water distribution system replacement projects in an existing infrastructure consisting of 84 miles and 103 miles of respective pipeline. Water system hydraulic studies and investigations, process and quality control in water and wastewater treatment system(s), building construction, and the overall coordination and management of construction efforts in a day to day water & sewer operation and maintenance organization are typical. Frequent interaction with City of Ithaca boards, subcommittees, municipal officials, and the public are required.

The Civil Engineer position provides engineering support to the entire Water & Sewer Division. The Division operates and maintains the City's water and sewer infrastructure with a staff of operators, technicians, and several light and heavy construction crews.

MINIMUM QUALIFICATIONS:

- A. Graduation from a New York State registered or regionally accredited four-year college or university with a Bachelor's Degree in Engineering Technology or a related field and one year of full-time paid experience performing engineering design, specification writing, inspections or surveys; or
- B. Graduation from high school or possession of a high school equivalency diploma and five years of full-time paid experience performing engineering design, specification writing, inspections or surveys; or
- C. An equivalent combination of training and experience as defined by the limits of (A) and (B) above.

RESIDENCY REQUIREMENTS: There are no residency requirements for this position.

EXAM REQUIREMENTS: A civil service exam will be required at a later date.

APPLICATION MATERIALS REQUIRED:

- City of Ithaca application
- Copy of high school and college transcripts

Applications must be received by the City of Ithaca Human Resources Department no later than 4:30 PM EST on the last filing date indicated below. All applications must be submitted electronically through our online application program. We do not accept paper applications, faxed applications, e-mailed applications or photocopies of applications.

Submit required application materials by August 4, 2021:
