PROMOTIONAL QUALIFICATIONS: Candidates must be permanently employed in the competitive class as Account Clerk-Typist with the Ithaca City School District, and must have served continuously on a permanent or contingent permanent basis as Account Clerk-Typist with the Ithaca City School District for one (1) year immediately preceding the date of the written test.

SALARY: \$45,020

DISTINGUISHING FEATURES OF THE CLASS: The work involves responsibility for independently performing and/or supervising the maintenance and review of financial accounts and records. Employees generally follow a prescribed routine in the performance of moderately difficult accounting duties and, in most cases, receive only infrequent general instructions. The duties of Senior Account Clerk-Typist are similar to those of a Senior Account Clerk except that a Senior Account Clerk-Typist spends a substantial amount of time operating an alphanumeric keyboard. This class differs from that of Account Clerk-Typist by the more complex nature of the duties and the more independent judgment required by the position. Direct supervision may be exercised over the work of one or more clerical assistants. Does related work as required.

SCOPE OF THE EXAMINATION: A test designed to evaluate knowledge, skills and /or abilities in the following areas.

1. Name and number checking

These questions test for the ability to distinguish between sets of words, letters, and/or numbers that are almost exactly alike. Material is usually presented in two or three columns, and you will have to determine how the entry in the first column compares with the entry in the second column and possibly the third. You will be instructed to mark your answers according to a designated code provided in the directions.

2. Arithmetic computation with calculator

These questions test for the ability to use a calculator to do basic computations. Questions will involve addition, subtraction, multiplication and division. You may also be asked to calculate averages, to use percents, and to round an answer to the nearest whole number. **You should bring with you a hand-held battery- or solar-powered calculator for use on this test.** You will **not** be permitted to use the calculator function of your cell phone.

3. Working with office records

These questions test your ability to work with office records. The test consists of two or more sets of questions, each set concerning a different problem. Typical record keeping problems might involve the organization or collation of numerical data from several sources; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percents. **You should bring with you a hand-held battery- or solar-powered calculator for use on this test.** You will **not** be permitted to use the calculator function of your cell phone.

The New York State Department of Civil Service has not prepared a test guide for this examination. A Guide for the Written Test for **Higher Level Account Clerical** is available at the New York State website: <https://www.cs.ny.gov/testing/testguides.cfm>.
