**TITLE:** Electrical Inspector

**LOCATION:** City of Ithaca - Planning, Building & Economic Development

**SALARY:** \$61,880, with subsequent increases to \$77,349

**The City of Ithaca values diverse perspectives and life experiences. We encourage people of all backgrounds to apply, including people of color, women, LGBTQ+, veterans, people with disabilities, and those with lived experiences.**

**POSITION DESCRIPTION:** The work involves responsibility for inspecting electrical installations and repairs in buildings to ensure compliance with the New York State Uniform Fire Prevention and Building Code, the National Electric Code, the New York State Multiple Residence Law, the New York State Building Construction Code along with relevant municipal codes and regulations. Duties include reviewing applications for repair, alteration or addition to existing electrical systems; inspecting all wiring installations for compliance with code; conducting electrical surveys; administering exams on behalf of the Examining Board of Electricians; and overseeing the licensing program for City of Ithaca Electrician licenses. The work is performed under the general supervision of the Director of Code Enforcement with leeway allowed for the exercise of independent judgment in carrying out the details of the work. Does related work as required.

**MINIMUM QUALIFICATIONS:** (pending final Civil Service Commission approval on 04/05/23)

- A. Possession of an Associate's degree in electrical construction, electrical technology or closely related field AND five (5) years of full-time paid experience, or its part-time paid equivalent, as an electrician; or
- B. Graduation from high school or possession of a high school equivalency diploma AND possession of certifications from the International Association of Electrical Inspectors as an Electrical Inspector for one and two family dwellings and as an Electrical Inspector for general construction AND five (5) years of full-time paid experience, or its part-time paid equivalent, as an electrician; or
- C. Graduation from high school or possession of a high school equivalency diploma AND six (6) years of full-time paid experience, or its part-time paid equivalent, as an electrician, at least one (1) year of which must have included inspecting or supervising residential and commercial electrical work; or
- D. An equivalent combination of training and experience as defined by the limits of (A), (B) and (C).

**Note:** College degrees must have been awarded by a college or university accredited by a regional, national, or specialized agency recognized as an accrediting agency by the U.S. Department of Education and/or U.S. Secretary of Education. If an applicant's degree was awarded by an educational institution outside the United States and its territories, the applicant must provide independent verification of equivalency. A list of acceptable companies who provide this service can be found at <https://www.cs.ny.gov/jobseeker/degrees.cfm>. Applicants are responsible for payment of the required evaluation fee.
