Sidewalk Program Manager

The City of Ithaca, NY is seeking qualified applicants for the role of Sidewalk Program Manager with the Department of Public Works!

Position Description: The work involves responsibility for planning, managing and overseeing the construction, inspection and repair of sidewalks in the City of Ithaca. The incumbent develops, recommends and manages work programs for designated Sidewalk Improvement Districts, monitoring and overseeing sidewalk projects from initiation to completion. In addition to aligning work programs with district assessments, the Sidewalk Program Manager pursues and manages supplementary funding sources, including grants and long-term borrowing. The work is performed under the general supervision of the Director of Engineering with leeway allowed for the exercise of independent judgment in carrying out the details of the work. The work is performed in collaboration with contractors, consultants and public works crews engaged in sidewalk construction and repair. Supervision is exercised over the work of interns, temporary and seasonal staff, and work-study students. Does related work as required.
