SALARY: \$54,146 - \$67,683 (2019 rate)

DISTINGUISHING FEATURES OF THE CLASS: This is a supervisory and technical position which involves assisting the Chief Wastewater Treatment Plant Operator in the safe and efficient operation and maintenance of a Type 4A wastewater treatment plant utilizing an activated sludge process. The incumbent assists the Chief Operator in scheduling and assigning operators to shifts; training and supervising operators, trainees and other plant employees; overseeing the treatment and disposal of sludge; developing, implementing and evaluating plant programs; and overseeing the conduct of laboratory tests and other analyses. The work is performed under the general supervision of the Chief Wastewater Treatment Plant Operator with considerable leeway allowed for the exercise of independent judgment in planning and carrying out the details of the work. Direct supervision is exercised over operators, trainees, laboratory staff, and other plant personnel. The Assistant Chief Wastewater Treatment Plant Operator acts for and in place of the Chief Wastewater Treatment Plant Operator in the Chief Operator's absence or as otherwise assigned. Does related work as required.

SCOPE OF THE EXAMINATION: A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. Supervision

These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

2. Operation and maintenance of pumps, valves, and related mechanical and electrical equipment

These questions test for knowledge of the principles and procedures involved in the operation, maintenance, and repair of pumps, valves, and related mechanical and electrical equipment, including motors and electric circuitry; and for the ability to identify various types of pumps, valves, and related equipment and understand their functions.

3. Physics, chemistry, and bacteriology related to wastewater treatment and disposal, including laboratory and field tests for plant operations

These questions test for knowledge of the principles and practices of wastewater treatment, disposal, and testing, including such areas as the principles of physics, chemistry, and bacteriology involved; terminology associated with wastewater treatment and testing; operating principles of the equipment and procedures used in wastewater treatment; measurements and measuring devices used; sampling and testing wastewater and interpreting the results; and identification and characteristics of chemicals and bacteria involved in wastewater plant operations and testing. Some questions may involve basic arithmetic calculations.

4. Practices and equipment used in the operation and maintenance of a Type A wastewater treatment plant

These questions test for knowledge of the principles and practices associated with the operation and maintenance of wastewater treatment plants employing the activated sludge process or its modifications (Type A plants), including such areas as objectives of plant processes, techniques, and equipment; terminology associated with Type A wastewater treatment plants; conditions and situations encountered in Type A wastewater treatment plants; plant safety and monitoring; and equipment and materials used in Type A wastewater treatment plants. Some questions may involve basic arithmetic calculations.

5. Pumping operations and related arithmetic computations

These questions test for knowledge of pumping operations, including such areas as terminology and basic principles associated with pumps and pumping operations; instruments and equipment used in pumping operations, including various types of pumps and their components; troubleshooting pumping problems and developing solutions; pump and pumping station inspection and maintenance; and the ability to perform arithmetic calculations associated with pumping and hydraulic operations.

The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication "How to take a written test" helpful in preparing for this test. This publication is available online at: <https://www.cs.ny.gov/testing/testguides.cfm>.

NOTE: Most Civil Service examinations do not require the use of a quiet, hand-held calculator or slide rule; however, candidates have the option of bringing a battery-operated or solar-powered calculator to the test room unless specifically notified that their use is prohibited. Devices with typewriter keyboards, spell checkers, Personal Digital Assistants, Address Books, Language Translators, Dictionaries, or any similar devices are prohibited. **USE OF CALCULATORS IS ALLOWED FOR THIS EXAM.**

SENIORITY POINTS: Seniority points will be added to the grades of candidates who receive a passing score of 70 or higher. Seniority points will be computed in accordance with the following schedule:

LENGTH OF SERVICE

who are called to military service after filing an application should send requests for an alternate test date to the City of Ithaca Human Resources/Civil Service Department before the test date.

_____ Military Service Members: If you apply for an examination during the filing period but are on active military duty on the date the examination is scheduled, you may request a military makeup examination. Contact the City of Ithaca Human Resources/Civil Service Department for more information. If you are on active duty or discharged after the filing period has begun, you may apply for the examination up to ten days before the test date.

SECTION 23.2 STATEMENT: This examination will be prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of New York State Civil Service Law, Rules and Regulations dealing with the preparation and rating of examinations will apply to this examination.

APPLICATIONS MAY BE OBTAINED: at the City of Ithaca Human Resources/Civil Service Department - 108 East Green Street - Ithaca NY 14850. You may also apply online or download an application at <https://ithaca-portal.mycivilservice.com>.

TIME AND PLACE OF THE EXAMINATION: Approved candidates will be notified by mail regarding the time and place of the examination. If notice of approval or disapproval is not received three (3) days prior to the exam date, please call the City of Ithaca Human Resources/Civil Service Department at (607) 274-6539.

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY: If you have applied to take a written test announced by either one or several local jurisdictions (county, town, city) scheduled to be held on the same test date as this written test, you must notify each of the local jurisdictions no later than two weeks before the test date, so they can make arrangements for taking all tests at one test site. All examinations for positions in State government will be held at a State examination center.

VETERAN'S CREDIT: Veterans or disabled veterans who are eligible for additional credit must submit an application for veteran's credit with their application for examination or at any time between the dates of their application for examination and the date of the establishment of the resulting eligible list. Applications for veteran's credit are available from this office. Veteran's credits can only be added to a passing score on the examination.

Effective January 1, 1998, the State Constitution was amended to permit a candidate currently in the armed forces to apply for and be conditionally granted veteran's credit in examinations. Any candidate who applies for such credit must provide proof of military status to receive the conditional credit. No credit may be granted after the establishment of the list. It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war, as defined in Section 85 of Civil Service Law, and that the candidate received an honorable discharge or was released under honorable conditions in order to be certified at a score including veteran's credits.

ADDITIONAL CREDIT FOR CHILDREN OF FIREFIGHTERS AND POLICE OFFICERS KILLED IN THE LINE OF DUTY: In conformance with section 85-a of the Civil Service Law, children of firefighters and police officers killed in the line of duty shall be entitled to receive an additional ten

points in a competitive examination for original appointment in the same municipality in which his or her parent has served. If you are qualified to participate in this examination and are a child of a firefighter or police officer killed in the line of duty in this municipality, please inform this office of this matter when you submit your application for examination. A candidate claiming such credit has a minimum of two months from the application deadline to provide the necessary documentation to verify additional credit eligibility. However, no credit may be added after the eligible list has been established.
